

2020-2021 Registration/Re-Registration

Here is the plan:

The office hours while we are in COVID-19 protocol is 8:00 – 4:00 Monday to Friday

1. The deadline for getting registrations in and still qualify for the \$100 reduction in the Registration Fee has now been extended to **Friday April 17 for ALL registrations**. The regular registration fee will be applied after this date. This is for all registrations and re-registrations.

2. **Category 1 and 2 Re-Registrations**. The pastor's form can be dropped off in one of the labeled boxes in the foyer on floor 3 (Welcoming Pole Entrance) or if you have it, it can be scanned and sent to office@aquinas.org . Once we get it, we will unlock your registration and you can complete your registration.

3. **Category 3 Re-Registrations**. The on-line portal is now open and you can complete the registration process.

4. **International Re-Registrations**. The applications may be left in the International Student box in the foyer.

5. **New Registrations**. The completed application forms may be left in the New Applicant box in the foyer.

The reason for the drop off in the foyer is to respect the social distancing we are encouraged to use to minimize the spread of the COVID-19 virus, keeping both you and the office staff safe.

If you have questions, the office staff would be happy to answer them for you.
