Thank you, Mr. Horton and Ms. Morris, for your time and enthusiasm in guiding these students during their time away.

STA Campus Ministry's International Night on Friday, June 2nd!

International Night is a long-standing tradition that brings our whole school community together to celebrate and share our many cultures!

To make this happen, we need your help!

We rely entirely on parent involvement. As in previous years, we are hoping to host 12 - 15 national tables decorated with cultural artifacts and serving national food. Come together with families from your nation and share your culture with us!

We are looking for people to organize country tables, which includes contacting STA families for your nation, providing food, and serving food on the night itself. You will receive PPP Hours for organizing a table.

We already have tables for: Mexico, Chile, Peru, Venezuela, Korea, and China!

If you are not able to organize a table, but would like to help by making food or serving, we can put you in touch with the coordinator for your nation, if there is one.

Please email Ms. E. Hughes at ehughes@aquinas.org if you are interested or would like more information.
