

**SERVICE HOURS
 INFORMATION & VERIFICATION**

The **STA Service Program** is an opportunity for students to be SAINTS within our community. This program is a *requirement* of our curricula. We want our students to give of their time and engage in opportunities that utilize their talents, interests and skills. It enables students to practice the values which integrated into all aspects of learning and life at the school.

What does it mean to be a STA SAINT?

- RESPECT** Our actions demonstrate that we value, and care for our school and every individual.
- PERSEVERANCE** We always strive to work hard, do our best, and never give up.
- RESPONSIBILITY** We recognize that our actions affect ourselves and others, and that we all have a role in building a positive and safe school environment.
- COMMUNITY** We work together. We are Aquinas.
- FAITH** Our Catholic faith permeates all that we do and who we are.

Note: Faculty/Administration will review all activities to ensure they reflect the philosophy of the Service Program.
