**F**ourty years and counting! The picture above is of the alumni staff who have graduated from STA over the years, have been under the influence of *Mr. Chris Campbell*, and have come to give back to their community. What a tribute to the great man who “Bleeds STA”. When many people can’t imagine working for 40 years, working in the same place for 40 years is a true accomplishment...and we are richer for it. Moving into the new school in September will be another major accomplishment as it will take a month to transfer his museum (office) to the new site.

I was at the Grade 12 Retreat in Cultus Lake and the students are ready to take the next step from the hallowed halls of STA. Graduation event planning and post-secondary acceptance offers are foremost in their minds. The Kiwanis Concert Band Festivals, Fine Arts Performances, Physics at Playland and the school play, “**Girls of St. Mary’s**”, are culminating activities that the students will never forget. An exciting time of year!

Last, but not least, See you at the International Night on May 24<sup>th</sup>.

Have a great May!

*John Campbell, Principal*

### WHEELCHAIR BASKETBALL

*Written by Kristinn Black*

*Mr. Prescott's* grade 10 PE class got an inspirational treat from a Canadian athlete. The class was exposed to wheelchair basketball and got the opportunity to meet the Women's National Team point guard, *Tara Llanes*. *Tara* had the class captivated as she told them her story. Growing up in sunny California, *Tara* played every sport possible. She fell in love with the life of an athlete and became an international BMX racer. Unfortunately, a tragic biking accident in 2007 left *Tara* with a broken neck and back. *Tara* did not give up; she fought. After years of rehab, physio, and dedication she found a new passion: Wheelchair basketball. *Tara* worked hard to be the best, and is now competing at the national level. *Tara* is a prime example of what it means to be a fighter. We wish her and her team the best of luck this summer in the Paralympic Qualifier in Peru!

## THERAPY DOGS VISIT STA

On Monday, April 8th during lunch hour, St. Thomas Aquinas High School hosted therapy dogs from the St. John's Ambulance Therapy Dogs program. The purpose of bringing in five dogs and volunteers was to encourage meaningful interaction among students, staff and the dogs, which in turn, helped alleviate stress and anxiety within our school community.

organize this event as part of their grade ten Career and Life Connections 10 experiential learning project. It is encouraging to see our junior students rise to the level of our senior students where they are planning and organizing high caliber events that resemble some of the better practices already happening at other schools.

Needless to say, the activity was a smash hit, with students and staff lined up outside waiting for an opportunity to meet the dogs. In turn, the school raised \$100.70 to donate to the St. John's Ambulance Therapy Dogs program. Thank you to the St. John's Ambulance Therapy Dogs program volunteers

who brought their dogs in, and to the female volunteers from *Mrs. Neuls'* new girls' mentorship program who helped with the therapy dogs' visit during the lunch hour. Most importantly, thank you to *Ms. Georgina Haaf* and *Ms. Riley Helm*, who helped

### THOMPSON RIVERS UNIVERSITY CHEMISTRY CONTEST

Chemistry 11 and 12 students with a current mark of at least 80% are invited to write the Thompson Rivers University Chemistry Contest on May 15<sup>th</sup>. This contest is an excellent review for final chemistry exams. Students who would like to write the contest should speak to *Ms. Treacy* on or before May 13<sup>th</sup>.

*Dear Parents,*

*Although there is still much to be done over the final two months of the school year, it is also time to review student goals and plan programs for the upcoming school year. Some important items of note:*

- 1) **Course Selection** - Grade 10 and 11 students should have already completed their course selection. However, you may have found that an LRC block cannot be chosen as a course in Powerschool. If your son or daughter is eligible for an LRC block, please select a placeholder course which can be switched out in place of a Learning Assistance Block later.*
- 2) **Exams** - As usual, writing exams in Rooms 201/202 is open to students who have an Individual Education Plan and/or receive LRC services. Eligible students who have not written exams with the LRC in the past need to speak to Mr. Field to confirm a place.*
- 3) **IEP Meetings** - A online booking form will be sent out to LRC parents shortly. Parents will have a choice of a 20 minute time slot on May 15, 16, 22, or 23. If you do not receive the email, please contact Mr. Field ([mfield@aquinas.org](mailto:mfield@aquinas.org)) and we will arrange a time to connect about your child's Individual Education Plan.*

*Mr. Field*  
LRC Co-coordinator

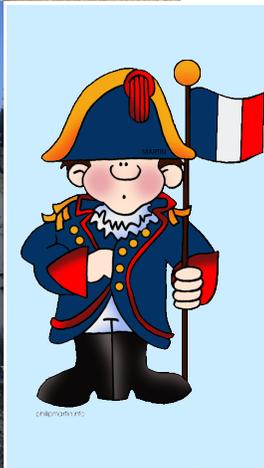

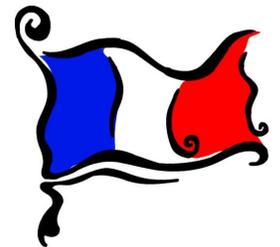

## PARIS & NORMANDY IN THE SPRING

*Ms Botteselle, Mr. Vesco and Mr. Savage* accompanied a group of 22 senior students on a 9 day tour of “Paris and The Chateaux” at the beginning of Spring break.

As great as the castles were (everyone had their favourite one) the students learned much else and humbly saw Notre Dame Cathedral complete with Lenten organ music (twice by chance).

They walked the same streets that Jacques Cartier sailed from in Saint Malo and spent a whole day on the beaches and museums of Normandy slightly in advance of the 75<sup>th</sup> anniversary celebrations this June.

Amazing tour thanks to the students, the weather and EF Tours.

# STA ATHLETICS

## PENTATHLON CHAMPION

*Written by Kristinn Black*

On March 16<sup>th</sup> STA's very own *Caleigh O'Flaherty* switched out her basketball shoes for spikes as she travelled to Montreal to capture the gold medal in the Canadian U18 Indoor Track and Field Championships. *Caleigh* competed in a pentathlon- a grueling five task event. *O'Flaherty* started off the competition with a strong time in the hurdles. From there, she attained personal bests in both high jump and long jump. In addition, her shot put measurement was also a personal best. She closed off the competition with a brilliant time in the 800 metre run to capture the gold and the National Championship. Way to go *Caleigh*!

## JUNIOR GIRLS SOCCER

After an easy 6-0 win over Whistler and a 4-0 win over Seycove, the girls beat Handsworth in penalty kicks 3-2. In the final, missing three of our starters and one of our other starters injured, the girls still were decisive in control over Sutherland but missed some lucky breaks. In the end, however, they won in a shootout by a score of 3-2. Congrats to *Eva Sikich* who was the MVP. And a special thank you to *Mrs. Nadia Botteselle* for all her help. She was a tremendous help whether it was getting donuts for the girls, being the umbrella supplier, or just being an all around wonderful support.

## STA SENIOR GIRLS SOCCER SPRING SEASON

The Senior Girls Soccer Team is having an outstanding season. They started their season by winning their pool at the BC Catholics and playing for gold for the first time ever. They beat LFA 1-0, St. Pats 4-0, Immaculata 3-0 and lost to Notre Dame. STA played STM in the final and lost in a shoot out, after holding the Knights scoreless through regulation time and extra time. The girls should be very proud of their silver medal. It is the first ever medal for STA girls soccer at the Catholics. *Mary Beth White-Bothe*, *Pasley Vandermye*, and *Olivia Thorpe* were named all-stars and special congratulations to *Sofia Panzetta* for recording 4 shut outs in 5 games!

In league play, the STA Fighting Saints have won the North Shore Championships for the second time in the last three years, having won games against Rockeridge, Seycove, Collingwood, Howe Sound, Whistler and Windsor.

The girls are now trying to qualify for the Provincial Championships in Campbell River at the end of May.

Great job girls!!
